Swiss Motorway Sticker

If you come by car in Switzerland, all vehicles pay to use motorways and dual carriageways by buying a motorway sticker or 'vignette'. The sticker for 2021 costs CHF 40. It is valid from 1st December 2020 until 31st January 2022.

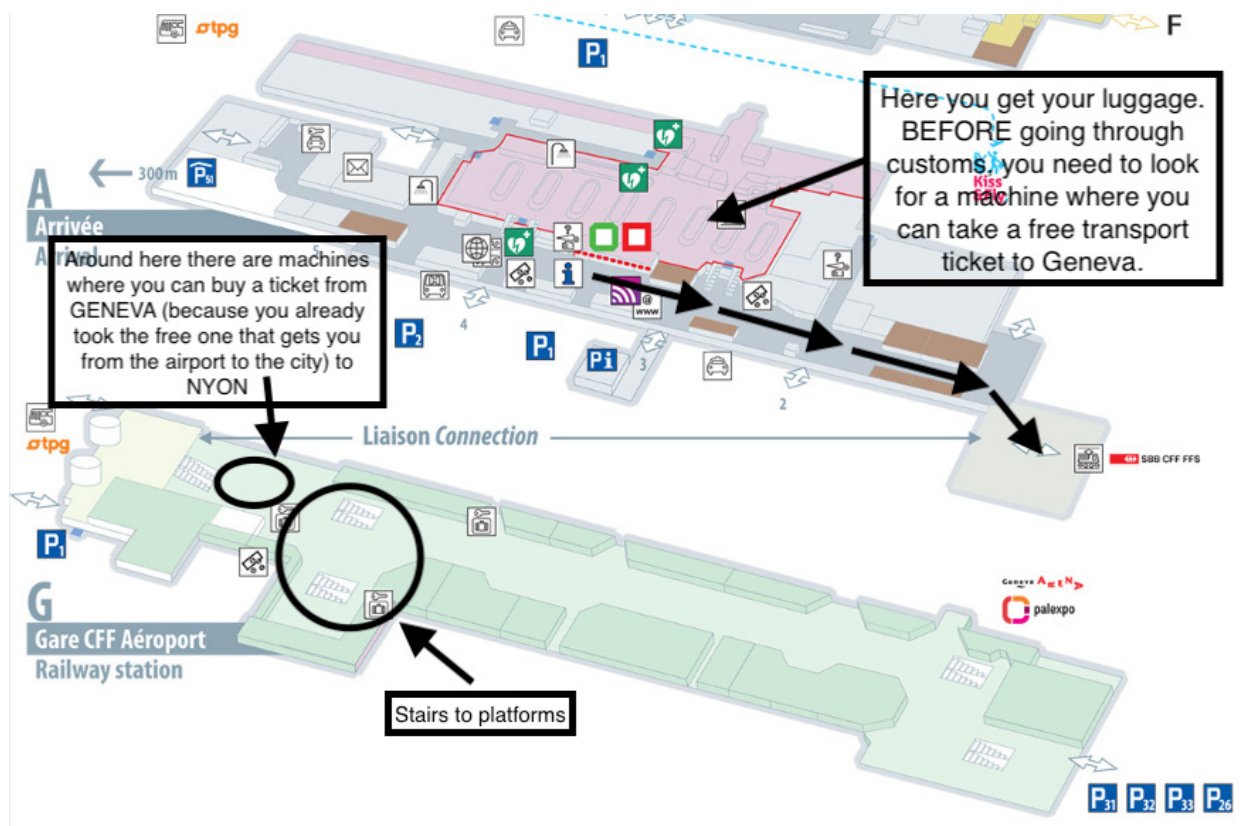

Getting to Nyon from Geneva airport

If you are flying to Geneva, you can easily take a train from Geneva airport to Nyon. The map below shows where to find the train station (see logo on level A). It is a 20 minutes trip and there are trains every 15 minutes or so. You can find the schedule on www.sbb.ch/en/home.html

Important!

Buy a ticket before taking the train, on SBB CFF machines. You will not be able to buy it in the train and fines are very expensive.

Tip!

Right after the baggage carousel, take a free ticket for public transport in Geneva before you exit the customs at the airport. This will allow you to book your train ticket from Geneva (instead of Geneva Airport) to Nyon and will cost CHF 9 (instead of CHF 15.40)

Accreditation

New sanitary measures

Please note that you will have to present a negative COVID-19 test result to collect your accreditation.

Please present a confirmation of a negative test result to the hospitality & accreditation desks, which is a 5-minute walk from the train station, in the Salle Colombière.

Filmmakers with a film in the programme

please go directly to the Hospitality desk and meet Amandine Bula, who will hand you over everything you need including your badge.

Industry Guests & Project Holders please go to the Accreditation desk. Your badge will be waiting for you there.

VdR-Film Market

Industry/Press/Pro accreditations give access to the VdR-Film Market, an online platform that includes a selection of +400 new creative documentaries (including Visions du Réel's Official selection as well as many more unreleased films).

Access

(In case of on-site screenings)

The accreditation badge gives access to all Festival screenings depending on availability. However, **you must book your ticket for each screening online** with the access code that you will receive with your accreditation.

This year, due to the sanitary measures, we have been obliged to reduce the number of seats per screening. Therefore, we kindly ask you to book your seat only if you are sure to attend the screening. In this regard, we let you know that you cannot book more than 8 screenings a day and it is not possible to book two simultaneous screenings.

Please follow these steps in order to book your seat for any screening:

- Go to the online programme on the Festival website
- Choose the screening(s) of your choice
- Click on « More infos... »
- Enter your ID and Code and login
- Click on « Book my seat » to finalise the order
- You can have an overview of your booking(s) by clicking on the « reservation » button on the top right corner of your screen.

Your reservation(s) will then be charged onto your accreditation badge that awaits you at the Accreditation Desk.

Please note that you need to have your accreditation badge to access the screening venues.

You need to book your seat either online or at the main ticket office for each screening, and be at the venue at least 5 minutes before the film starts to take your seat. We point out that in all of our projection rooms, you will only be able to sit on the unmarked seats, except for La Grande Salle, where you will have to sit on the marked seats.

Hygiene and behaviour rules

COVID-19

Please comply with these health and safety standards at all the Festival venues and feel free to contact our staff if you have any questions.

1. Informing the health service promptly if I experience any of the most common symptoms compatible with COVID-19, such as fever, chills, cough, feeling of shortness of breath, loss of taste and smell, sore throat, muscle pains, headache, general weakness, diarrhea or vomiting, and will remain in my home/hotel if I detect any of these symptoms.
2. Face masks are mandatory.
3. Participants are asked to disinfect their hands before entering each venue of the event. Hydroalcoholic gel dispensers are available at the entrances, as well as in sanitary areas within the sites.
4. Follow the recommendation to limit social gatherings outside the Industry's activities and in open air to a maximum of 15 people.
5. An accreditation will be needed to enter any venues of the festival. The tracking of our guests is guaranteed via the Festival's ticketing system.
6. An accreditation is mandatory to enter the festival. A negative test result less than 72 hours old will be asked for to get your accreditation. If it is not possible for you to get tested before your arrival, Visions du Réel will have a testing center on-site, with the following schedule –
7. For our International guests, PCR tests will be available on-site as well. Please take contact with Amandine Bula, head of hospitality. She will make arrangements necessary for your trip back.
8. You can consult further details of preventive measures currently in force in Nyon and precautions to take on the official coronavirus website of the Swiss Confederation. You are invited to consult this website regularly to make sure you have up-to-date information at all times.
<https://www.bag.admin.ch/bag/en/home/krankheiten/ausbrueche-epidemien-pandemien/aktuelle-ausbrueche-epidemien/novel-cov/massnahmen-des-bundes.html>
9. In this sense, it is stated that Visions du Réel is not responsible for the possible damages or losses that may arise in the event of being infected by COVID-19, so it shall not assume the payment or refund of amounts, expenses or compensation, which it would have incurred for its assistance to the festival.
10. Likewise, if during the festival there is a situation of repeated non-compliance of the rules and in the case of non-compliance with the indications and warnings that may occur in the event, the organization reserves the right of admission to the festival, thus also ending the obligations of Visions du Réel regarding the guest in terms of accommodation and lunch fees.
